

UC STUDY ABROAD PROGRAM **FAST FACTS**

Students enjoying a morning bike ride around Lake Ginninderra, next to the University of Canberra campus.

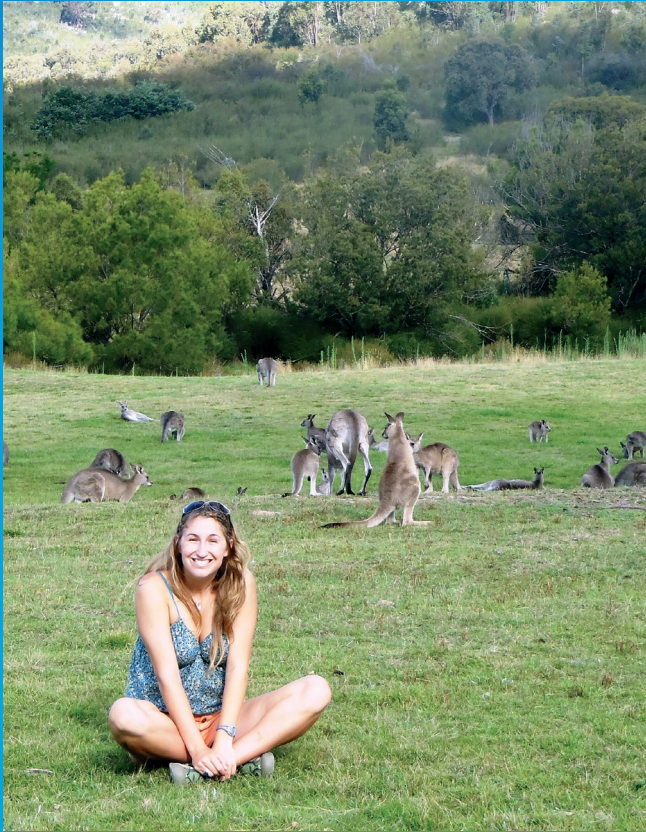

PROGRAM HIGHLIGHTS

1. Living on campus at the University of Canberra (UC) means living just footsteps away from the **resident kangaroos**.
2. UC offers **hands on, practical learning** and offers you a choice of **over 3,000 classes** to choose from!
3. We are a **world-ranked university** in the TOP 5% of the QS World University Rankings 2013-2014
4. Form **lasting friendships** with students from all over the world!
5. The University's semester dates tend to line up with well with the Northern Hemisphere University calendar, meaning you can study abroad and **have that summer job or internship you want without compromise**.
6. Canberra's low unemployment rate means a much **better chance of landing a job** than in most other Australian cities. Many of our students work on campus or just off campus in one of the many cafes and shops in the area.
7. We offer **full support** through our Study Abroad Office, loads of free (or cost price) **trips and activities**, plus **guaranteed on campus housing** for all Study Abroad students.

ABOUT CANBERRA

- Australia's National Capital
- Population: 380,000
- One of the world's few planned cities – beautiful and no traffic issues
- Named Australia's most liveable city and the best city in the world for well-being by the OECD in 2014
- The feel of a city in a park, with a variety of wildlife and a kaleidoscope of colours and experiences turned by the changing seasons
- Safe, clean, friendly & multi-cultural
- Regularly hosting several major festivals, events, activities, sports, music and much more
- Home to the embassies and national attractions such as Parliament house, museums and memorials
- Great location – easy access to Sydney (3 hours by bus), the coast (2.5 hours) or the mountains (2.5 hours by bus for skiing or snowboarding during the winter)
- Called "the 20 minute city" (easy to get around)- all the amenities of a much larger city (as it is the capital) but without the congestion
